

United States Senate

WASHINGTON, DC 20510

May 14, 2024

The Honorable Patty Murray
Chair
Senate Committee on Appropriations
United States Senate
S-128, The Capitol
Washington, D.C. 20510

The Honorable Susan Collins
Vice Chair
Senate Committee on Appropriations
United States Senate
S-128, The Capitol
Washington, D.C. 20510

The Honorable Tammy Baldwin
Chair
Subcommittee on Labor, Health and
Related Agencies
Senate Committee on Appropriations
United States Senate
Washington, D.C. 20510

The Honorable Shelley Moore Capito
Ranking Member
Subcommittee on Labor, Health and
Related Agencies
Senate Committee on Appropriations
United States Senate
Washington, D.C. 20510

Dear Chair Murray, Vice Chair Collins, Chair Baldwin and Ranking Member Capito:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Labor, Health and Human Services and Related Agencies Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending is a for-profit entity.

Sincerely,

Jeanne Shaheen
United States Senator

**Shaheen, Jeanne(D-NH) Labor and Health and Human Services
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
New Hampshire Children's Trust, Inc.	The Children's Trust will use CDS funding to implement and expand the recently released Prevent Child Abuse America's (PCAA) Theory of Change for Primary Prevention model. This model implements multiple strategies to create a community ecosystem to reduce child abuse and neglect.	City of Concord NH	\$500
New Hampshire School Principals Foundation	The New Hampshire School Principals Foundation (NHSPF) will use CDS funds to support a year-long workforce development leadership series across the state for current and aspiring PK-12 school leaders.	City of Concord NH	\$342
NAMI New Hampshire	Funding will support the adaptation of NAMI's Connect Postvention training to include sudden deaths resulting from overdose; develop collateral; disseminate information and resources; and provide no-cost trainings to high-risk communities throughout the state.	City of Concord NH	\$444
NH Hunger Solutions	NH Hunger Solutions will use funds to carry out its Social Determinants of Health Action Plan created with state agencies, healthcare, public health and community partners around the state. Funds will also advance communications outreach for SNAP, WIC and School Meals that was initiated this year.	City of Concord NH	\$430
Boys & Girls Clubs of Central New Hampshire	Funds will be used to purchase security systems to help ensure the safety of 1,500 children and youth attending Boys & Girls Club after school programs and early learning centers at nine locations throughout New Hampshire.	City of Concord NH	\$540
NH Civics	New Hampshire Civics requests funds to launch Civics4EveryKid, an initiative to provide flexible content options and civics books for all NH K-3 teachers.	City of Concord NH	\$320
NHTI-Concord's Community College	NHTI would use funds to renovate dental learning facilities and a dental clinic.	City of Concord NH	\$250
Community College System of New Hampshire	Funds will be used to develop and implement strategies to re-engage and support non-traditional learners at the state's seven community colleges. This will include outreach, advising and support, as well as training and professional development for college personnel.	City of Concord NH	\$550
RB Productions	CDS funding for the Youth Arts Masterclass Series will bring professional theatre artists to Capitol-area students, especially those from underserved backgrounds, for hands-on, experiential skill-building in the arts, literacy, STEM, and social-emotional wellbeing.	City of Concord NH	\$140
Community Action Program Belknap-Merrimack County Inc.	CDS funding will be used to purchase a delivery truck for food distribution as well as to purchase a forklift to assist in loading food from the central warehouse.	City of Concord NH	\$225
New Hampshire Department of Education	This project will provide STEM education professional development and resources to train Early Childcare Center educators throughout New Hampshire in hands-on science and engineering education.	City of Concord NH	\$3,000
Behavioral Health and Developmental Services of Strafford County, Inc.	CDS funds will be used to renovate an existing facility to support Applied Behavioral Analysis (ABA) therapy services for children ages 2-8.	City of Dover NH	\$110
Dover Adult Learning Center	Funding will be used to recruit and train up to 32 individuals for the After Hours Licensed Nurse Assistant (LNA) Training Program and support the growing demand for quality healthcare services in New Hampshire.	City of Dover NH	\$100

Reach for the Top Therapy Services	Reach for the Top Therapy would use CDS funds to hire two additional Speech Language Pathologists, provide training, upgrade assessment tools and purchase speech-generating devices to improve access to support for children with disabilities.	City of Dover NH	\$181
HealthFirst Family Care Center, Inc.	HealthFirst requests funding to expand its health campus by completing construction of a 2,200 square foot property adjacent to its Franklin health center facility that was purchased last fall.	City of Franklin NH	\$1,500
Keene Housing Kids Collaborative	Keene Housing Kids Collaborative (KHKC) seeks funding to expand afterschool and summer enrichment opportunities and provide transportation for children and parents to programs as transportation is one of the greatest barriers to child participation.	City of Keene NH	\$247
County of Cheshire Administration	CDS funding would be used to install, configure and optimize new internet protocol-based equipment and systems at 12 radio repeater sites thus solidly protecting this essential community lifeline from the impacts of the natural and technological disasters that frequently occur in the region.	City of Keene NH	\$5,725
Monadnock United Way	The Building the Workforce project will support a network of professionals and provide training and coaching to early childhood educators throughout the Early Childhood (EC) Region 1 area through mentorship, coaching and training.	City of Keene NH	\$250
Lakes Region Mental Health Center, Inc.	Lakes Region Mental Health Services requests funding to increase the number of community residence units for older adults with mental illness and/or comorbidities, providing services including case management, counseling, daily living skills, nutrition and healthy eating and socialization.	City of Laconia NH	\$1,750
Dartmouth Health	DHMC seeks CDS funding to seed and launch the Workforce Innovation Network, an organization to find and attract talent, develop 'whole package' career pathways, place staff with provider organizations statewide and nurture staff over the long term with career advancement and retention support.	City of Lebanon NH	\$1,234
Dartmouth Health	Dartmouth Hitchcock Medical Center's Department of Obstetrics and Gynecology seeks funding to support the creation of an inpatient program for the purpose of withdrawal management and initiation of treatment medications for pregnant women with fentanyl, alcohol and other substance use disorders.	City of Lebanon NH	\$900
Dartmouth Health	Dartmouth Hitchcock Medical Center's (DHMC) Department of Obstetrics and Gynecology seeks congressional directed spending to implement a doula program.	City of Lebanon NH	\$205
Dartmouth Health	Dartmouth Health (DH) will use CDS funds to staff and outfit a mobile van for geriatric care services.	City of Lebanon NH	\$650
Dartmouth Health	Dartmouth Hitchcock Medical Center's Department of Population Health seeks a CDS of \$1.5M to develop a digital health literacy and digital navigator training center.	City of Lebanon NH	\$1,500
International Institute of New England	IINE-Manchester will use CDS funds to provide enhanced and expanded employment services and career pathways programs to refugees and immigrants.	City of Manchester NH	\$250
The Mental Health Center of Greater Manchester	The Mental Health Center of Greater Manchester will use CDS funding for facility renovations and information technology (IT) equipment.	City of Manchester NH	\$770
Elliot Health System	Funds will be used to expand workforce programs to grow the Elliot Health System workforce. Programs include their multi-tiered Apprenticeship Programs, Career Explorations Program, Summer Student Internship Program, English as Other Language for Healthcare Program and Nursing Preceptor program.	City of Manchester NH	\$460

NH Black Women Health Project	This project will use funds to staff and operationalize work in collaboration with a number of supportive organizations to eliminate racism, empower women and support the well-being, including mental health, of people of color.	City of Manchester NH	\$400
Centro Latino de New Hampshire	Centro Latino de New Hampshire seeks funds to provide mental health services to underserved Latino populations via Community Health Workers (CHWs).	City of Manchester NH	\$299
Victory Women of Vision	Victory Women of Vision proposes to expand their New American youth empowerment program in the Manchester public schools to additional middle and elementary schools. They will implement a pilot program focused on helping youth with behavioral problems related to trauma through small support groups.	City of Manchester NH	\$256
Safari Youth Club	CDS funds will be used to support the well-being of Manchester's refugee and immigrant community through the part-time employment of parent mentors who will assist families as they assimilate as new Americans.	City of Manchester NH	\$163
Dismas Home of NH, Inc.	CDS funds will be used to support Dismas Home of NH's addition of 20 Transitional Living Program beds to bring total program capacity up to 28 beds.	City of Manchester NH	\$500
Manchester School District	CDS funding would be utilized to fund a total of 7 positions to address student mental health in schools.	City of Manchester NH	\$850
St. Joseph Hospital of Nashua, N.H.	Funding will replace three end-of-life mammography machines (two on the main Nashua campus, one at Milford Medical Center) and also implement a new Mobile Mammography program.	City of Nashua NH	\$2,750
Rivier University	Funds will be used to purchase and equip a mobile medical van to support nursing student site visits to vulnerable populations at senior centers, youth organizations and social service centers such as soup kitchens.	City of Nashua NH	\$317
The Front Door Agency, Inc.	Funds will be used to establish a Financial Empowerment Center in Nashua to provide Financial Literacy Education, Tenant Education, Career Development training and Post-Secondary Education support.	City of Nashua NH	\$850
Harbor Homes Inc.	Funds will be used for final renovations at Harbor Care's substance use disorder treatment center, the Cynthia Day Family Center. Funding will go toward "Phase 2" improvements: playground creation, drainage fixes, parking lot regrading and paving, enhancing security, signage and fencing.	City of Nashua NH	\$832
Nashua Community College	Nashua Community College is seeking CDS funds to purchase furniture and supplies to equip their new Early Childhood Center. The Early Childhood Center will increase high-quality childcare availability for approximately 30 children in the greater Nashua community.	City of Nashua NH	\$25
Lil' Iguana's Children's Safety Foundation	CDS funds will launch an education initiative to provide equitable access to PreK-5 personal safety, social-emotional learning and health resources by developing a digital curriculum and providing access to all NH Head Start/Title I centers, elementary schools, police departments and libraries.	City of Nashua NH	\$400
Lil' Iguana's Children's Safety Foundation	Funding will be used for program scheduling and outreach, educator and instructor program delivery at 100 classrooms, travel expenses and leave behind materials including posters, workbooks, affirmation cards and instructor manuals.	City of Nashua NH	\$150
Lil' Iguana's Children's Safety Foundation	The Lil' Iguana's Children's Safety Foundation seeks funding to bring 100 Lil' Iguana LIVE! educational programs to approximately 30,000 elementary children in Hillsborough & Rockingham counties.	City of Nashua NH	\$600

St. Joseph Hospital of Nashua, N.H.	CDS funding will be used to replace the hospital's existing angiography lab equipment and renovate space to house this component of the vascular program at the facility, essential to the treatment of cardiovascular disease.	City of Nashua NH	\$3,119
Southern New Hampshire Health	Southern New Hampshire Health (SNHH) will use CDS Funds to purchase equipment for the Cardiac and Vascular Program. The equipment needs will be to outfit two Cardiac Cath Labs, an Interventional Radiology Suite, diagnostic cardiology area and a pre- and post-procedure area.	City of Nashua NH	\$2,000
Greater Seacoast Community Health	CDS funding will be used for capital improvements and program expansion at Greater Seacoast Community Health's (GSCH) Somersworth Health Center, including creating more primary care space, staff meeting space and clinical and program supplies storage.	City of Somersworth NH	\$2,500
Nashua Community College	NCC will use CDS Funds to purchase the tower and radar simulator equipment required to start-up an associate's degree program in air traffic control.	Nashua NH	\$337
Great Bay Community College	CDS funding will be used to retrofit welding lab space with electrical and ventilation upgrades, purchase trainings aids and equipment, support curriculum development for short-term training and conduct program outreach activities.	Portsmouth NH	\$895
Lamprey Health Care, Inc.	Funds will be used to integrate Pharmacy Services into its CHC by creating an onsite pharmacy at its Raymond, NH location. Funds would be used to design and renovate approximately 440 square feet in the existing facility for the provision of pharmacy services and to purchase any necessary equipment	Raymond NH	\$250
Best Buddies International, Inc.	Funds will establish and deliver community-based inclusion services at 30 elementary, middle and high schools that will serve at least 675 students with and without intellectual and developmental disabilities, who will take part in a minimum of 150 inclusive activities and leadership training events	Town of Bedford NH	\$250
Ossipee Concerned Citizens	CDS funding will be used to support nutrition services for elderly and disadvantaged clients in Ossipee, NH.	Town of Center Ossipee NH	\$100
Northern Human Services	Northern Human Services (NHS) will use CDS funds to support the planning for and construction of a new building in their Carroll County area that will house both Developmental Services and Mental Health Services.	Town of Conway NH	\$3,000
University of New Hampshire	The New Hampshire Center for Health Workforce and Clinical Innovation is intended to improve exposure of students to health careers and education pathways, provide enhanced clinical training, precepting and job placement in high need areas and sustainable platforms for evaluation and dissemination.	Town of Durham NH	\$1,900
Seven Hills New Hampshire, Inc.	Seven Hills New Hampshire (SHNH) requests CDS funding to renovate all spaces in which clinical services are delivered at Crotched Mountain School, a nationally recognized K-12 residential and day school providing special education to students ages 5-21.	Town of Greenfield NH	\$3,000
